ABOUT THE OWNER

BARBIE BOULES, RDN

President, Barbie Boules Longevity Wellness
Registered Dietitian Nutritionist
Certified Health Coach & Meditation Teacher
Cognitive & Metabolic Health Specialist

Barbie is a workplace wellness enthusiast, with extensive experience creating vibrant nutrition and health programming for over 100 employers and their people.

Her approachable, evidence-based insight is sought-after for inspiring health-promoting action. The foundation of BBLW programs is educating on The Four Pillars of Wellness: nourishing foods, quality sleep, daily movement, and solid stress skills.

Over 20+ years, Barbie has coached thousands of clients to success by coupling science-backed guidance with a unique approach that encourages a joy of eating and makes optimal nutrition and wellness simple, sustainable and satisfying.

Her programs are enjoyed by forward-thinking organizations across a number of industries including insurance, finance, legal, architecture, engineering, IT/software, television and more. Her presentations are an anticipated highlight in wellness initiatives across the U.S..

PROGRAMS

ENGAGE employees in quality conversations about their wellness

MOTIVATE positive change, in individuals & the company culture

INSPIRE communication and camaraderie among groups

CLARIFY nutrition confusion & separate fact from fad

ENCOURAGE a cutting-edge & mindful approach to wellness
